EVALUATION

Unit, Personnelities

1. District Signal Battalion for DOW 3, Poznan  
CO: Lt. Col. Gulinisci  
Political Deputy: Major Bykovski  
C/C: Major Rejew

Location, Remarks

Poznan.

Russian, of Polish origin.

1st Staff Company (Stabova Kompania)

Russian Officer in Soviet uniform

Handles all telephonic and telegraphic  
code communications between DOW 3  
Staff and Polish Army HQ, Warsaw.

Equipment: 10 "Sobie" sets  
10 "St" sets  
10 "Morse" sets

This company consists of five  
sections, of which one, called the  
Secret Section (Sekretny Oddzial),  
handles all code messages, using  
five-number groups. Formerly most  
of the soldiers assigned to this  
section were Russians, but since  
March 1946 the Russians have been  
largely replaced by Polish soldiers.

The training lasts from 4 to 6 months  
and consists of 56 hours a week with  
two hours of Morse code daily.  
Graduate officers of the school  
are assigned to signal duties within  
DOW 3. The number of students  
attending a training course is  
equivalent to the personnel of one  
company (exact number not known)

2nd Co (Training School Co)  
(Szkolna Kompania)

## CENTRAL INTELLIGENCE GROUP

- 2 -

Unit, Personalities3rd Co (Telephone Co)  
(Telefoniczna Kompania)Location, Remarks

Handles communications of units within DOW 3.

Equipment: 10 "St" sets  
10 "Bodo" sets  
about 20 "Morse" sets

In addition to the above, a few American sets are also in use.

The "St" sets use a special 5 mm cable and have a working radius of about 500 kms.

The "Bodo" sets were made in the USSR, require a special cable, and have a working radius of about 5000 kms.
